The IN time is the actual time the room will be unlocked for your access and the OUT time is when your last guest departs. Additional fees will be charged if your arrival time is earlier and/or your guests remain longer than the specified time on the Banquet Event Order. LIQUOR LICENCE

SPECIAL OCCASION LICENCE: FAMILY EVENT (WEDDINGS)

If serving alcohol clients are required to obtain a liquor licence. To obtain a licence please follow these guidelines:

Apply online for a Special Occasion Licence for FAMILY EVENT (WEDDINGS).

SECURITY PLAN: The Liquor Control & Licensing Branch (LCLB) requires a security plan for 500+ guests (30 days prior to your event).

Note: If your event is less than 500 you are not required to complete this process Online unless the local RCMP request a security plan, it is at their discretion. It is very important you apply for your license several weeks in advance of your event in case there are any hiccups.

DESIGNATED LICENCED DRINKING AREAS(s): You must clearly describe the area(s) on your application where Liquor Will Be Consumed. All alcohol consumption must occur in the rental space indicated. To simplify this process please list the following on the liquor license: MARY WINSPEAR CENTRE – Bodine Hall, MyFanway Pavelic Gallery, Outdoor Courtyard, Lobby.

Note: The maximum amount of alcohol is determined by the number of guests attending the event. The alcohol to be purchased is to be indicated on the application form. Please read the suggested quantities in the guide supplied by the Liquor store.

HOURS OF SERVICE: The RCMP may restrict the number of hours you serve alcohol, it is at their discretion. This is another reason it is important you submit your application well in advance.

HOST: “The licensee, or host, is responsible for the liquor services provided under this licence and must be at the event all the time unless the licensee delegates another person to be responsible for liquor service. Even if the licensee has delegated another person to be responsible, the licensee remains legally responsible for the liquor service.”

The person designated to take out the liquor licence cannot be consuming any liquor at the event.

The approved liquor license document must be posted at the bar (with signature) at your function as per the LCLB. Otherwise your event could be shut down.

CATERERS REQUIREMENTS

Please provide your caterer with a copy of the MWC requirements.

NOTE: It is advisable NOT to pay your caterer in full until after your damage deposit has been returned. This is to protect you in case your caterer should leave grease stains on the patio and/or pour grease down the drains and/or damage tables etc.

1. Garbage & Cardboard: dumpsters are located at the end of the drive leading from the patio. It is the responsibility of the caterers/users to transport all kitchen waste to the dumpsters.

2. When filling the provided garbage cans please do not overfill with wet waste. If you cannot lift the cans with your fingers it is time to change bags. It is suggested if the cans do become overfilled that you transport the bag in the can to the dumpster.

3. Electrical: plugging two coffee makers or other high draw appliances in the same receptacle will trip the circuit breakers. All plugs have a number and the control breaker panel is located outside the door leading to the gallery.

4. The kitchen is provided in a clean state and it is expected that it will be in a "reasonably" clean state when you depart. To this end the following shall be observed: spillage cleaned from the stove countertops, cupboard doors and waste removed from the drain boards and sinks.

5. Patio/Outdoor Courtyard: a) Please ensure NO GREASE is emptied into the drains and b) Tarps & Cardboard are used to capture all grease spillage. NO COOKING ON THE PATIO. COOKING MUST BE ON GRASS AREA PROVIDED.

6. Tent(s): The MWC does not supply cooking tents, please review these details with your caterer.

7. MWC will not provide utensils and crockery for any in-house use. At times more than one client may require access to kitchen equipment. Your cooperation and understanding are appreciated.

Any questions should be directed to the on duty facilities staff. They can be contacted at 250-888-0100.
